NOTIFICATIONS.

No. 59.

The 24th August 1875.

Whereas certain additions have to be made to the Notification No. 58, published at pages 225 and 230 of *Mysore Gazette*, dated 14th and 21st instant, the same is re-published with the said alterations printed in italics.

It is hereby notified under Section 4 of the Land Acquisition Act X of 1870, that the land comprised within the limits of the Catchment Channel hereunder delineated and which has been nicked out on the grounds, together with a strip of 10 feet below them all round, situated in the villages of Gangarathapura, Mariahalli, Nagarpur, Vayal Kaval, Geddahalli, Gangenahalli, Madanahalli, Madurahalli, Kelmarnahalli, Madurahalli, Yeddanahalli, Mattikere and Yeddanahalli, are required for public purposes, *i.e.* for the Bangalore Water-supply.

(1.) *South East Channel Line*, beginning at north-west side of Guttahalli, and along the south-west side of Messrs. Carter and Garret's lands, running across the Bellary road near the 1st mile-stone, where the road splits into two, one going to Chiklu, and the other to Nundydyke, and then along the south side of the Tunkur road as marked out by Gangenahalli, with an extension passing to the south side of the road as marked out by Gangenahalli, and along the Bellary road below Mr. Rice's compound, and then along the west side of the Rifle Butts towards the 11th mile-stone.

(2.) *North West Channel Line*, from Gangarathapura along the lower side of the 1st channel extension, crosses the P. C. Chingalraya Naidu's road near 3rd mile-stone, then running below the 1st channel extension, and parallel to the just mentioned road to near the Hospankatta bridge and crossing the road and running along the north side of it, crosses the Tunkur road below 4th mile-stone to the south side of Subbappapallyam.

(3.) *North West Channel Line*, runs from the south-west side of Subbappapallyam, along the east side of Gangarathapura, south of Mattikere and through a portion of the lands belonging to Yeddanahalli village, by the west of the Madanahalli tank, to near the mango tope, on the railway-feeder road.

(4.) *North East Channel Line* begins near the top last mentioned end on the west and north of Madanahalli, then round the rocks on the border of Geddahalli, through the lands of Gangenahalli, crossing the Nundydyke road near 3 miles, 2 furlongs, then on to the south of a garden near the cross road to Chiklu, thence south west of the temple adjoining, and by the west side of Mantaraddipaliam to the south-west of Mariyanna Chatram, where, crossing the road and going down along the west side of the S. Rangaswamy feeder to east of Guttahalli rocks where the south-east channel line begins, with an extension towards Hebbal round the rocky summit between Yeddanahalli and the 1st channel road near the 11th mile-stone.

In addition to the lands comprised within the above limits, a width of twenty feet on each side of the Channel has been nicked out, for the delivery channel will also be required. The delivery channel line begins from the reservoir and running below and somewhat parallel to the south-east catchment channel line, crosses the Bellary road near second mile-stone and goes near the house commonly known as General Dobbs' as marked out. Beyond the end of the nick line the channel will run under ground, under the kitchen and coach house of the said Bungalow down to a stone on the east side of the Chiklu road. But this last portion will not probably be commenced within this year.
